

rmg financial services presenting sponsor of the 2011 ISPS Handa Australian Senior Open at Lake Karrinyup Country Club

Recently, we were proud to be the main sponsor of this prestigious tournament, which meant that many of our clients were able to join us for golf and hospitality over 4 fun-filled days. The main event was the Pro-Am, where we were guided by Australian golfing legends such as Ian Baker-Finch, Wayne Grady, Ossie Moore and the eventual winner, Gary Wolstenholme. For the non-golfers, the great hospitality of Lake Karrinyup was very enjoyable whether it was the cocktail party, lunch on the final day or the Ladies' Morning Tea (which Patrick gate crashed again) where Australian pro-golfer Kristie Smith and Ian Baker-Finch shared stories from their touring days.

This year, the amateurs were able to compete alongside the pros for the first two days. Our client Murray Williams and rmgfs adviser Julian Summers had the golf experience of a lifetime as they played with Peter Fowler and Mike Harwood. Julian obviously spends too much time golfing and not enough time working, as he finished third!

As you know, our motto is 'Life is for Living' and what better way to live than to enjoy great camaraderie, fun and exercise with friends and colleagues. We are looking forward to sponsoring this event for many years to come...so get the clubs out and get practicing for 2012!
